

SIouxLAND CONSTRUCTION ALLIANCE

Excellence in Construction Award Application

Project Size (Select one)

3 categories will be awarded based on project size

- Under \$1.5Million
- \$1.5M - \$5M
- Above \$5M

Eligibility

- The Project team in most part, should consist of SCA member contractor(s), architects and suppliers. (Don't know if all of your team are SCA members? List them and we will verify their membership status.)
- The project must be substantially completed during the preceding year, 2021.
- Only one nomination per company location is allowed per award category.
- A project must be within 90 miles of SCA offices.

Time Frame

- Please complete the nomination and send it via email to SCA no later than **January 31, 2022**. Look for a verification receipt from the SCA.
- Winners will be announced at March SCA General Membership Meeting.

Scoring

- A maximum of 100 points can be awarded
- Scoring information appears in each section

SCA Awards Contact

Terri Schelm 712.255.9730 hbaterrri@siouxlan.net

Each project will be judged on a point system based on the following criteria:

1. **SCA Members**—Points will be awarded based on Siouxland Construction Alliance membership status for Architecture, GC, Suppliers, and Specialty Members.
2. **Safety**—Points based on Safety and lack of injury to employees while on the job site.
3. **Difficulty**—The degree of difficulty of the project, ie; challenges, special equipment, materials, methods, etc.
4. **Uniqueness**—Awarded for the incorporation of new materials and uniqueness of the design.
5. **Innovation**—Incorporation of materials, equipment, problem-solving techniques and solutions that went into the project.
6. **Photo submission**—Max 10 photos are required for each nomination.

Section 5: INNOVATION (max 15 points)

These points will be awarded based on the incorporation of materials, equipment or problem-solving techniques that set this structure apart from others.

Explain the innovation utilized in this structure's design that make it different—100 words or less.

Section 6: JUDGES (max 10 points)

These points will be awarded at the judge's discretion.

Explain why you have nominated this project and why you feel it should win the SCA Excellence in Construction Award—100 words or less.

SIOUXLAND CONSTRUCTION ALLIANCE

Excellence in Construction

Award Application

Photography Color photos (10 maximum) are required for each nomination. Ideally, photos should show the job from start to finish, and those that exemplify quality construction will provide the best documentation.

Photography Specifications

- Five photos of the work in progress
- Five photos of the finished or nearly completed project
- Format: JPEG
- File Name: Include Project Name and text to enhance understanding
- Submission: Share Photos via Dropbox.com or similar service with hbaterra@siouxlan.net

Submission of materials grants permission for unrestricted promotional use by the SCA of all photographs and information. This includes but is not limited to, awards program, publicity, and publications within the association, industry and other publications or media.
