

SIouxLAND CONSTRUCTION ALLIANCE

The Objectives of the Alliance:

- ✦ Advance and improve conditions in the construction industry.
- ✦ **To foster goodwill and encourage cooperation and ethical conduct among members.**
- ✦ To secure cooperation in all matters relating to the welfare and benefit of the membership.
- ✦ **To disseminate construction news and information to the membership.**
- ✦ To provide and maintain a plan exchange to the membership.
- ✦ **To utilize the special knowledge of its members to influence positive change within the government and the industry to benefit the general public.**
- ✦ The purposes of the Association are exclusively to promote its members and trades in accordance with Section 501(c)(6)
- ✦ **Recognize excellence in the construction practices among its members.**

MEMBERSHIP INCLUDES

CONSTRUCTION BULLETIN

Weekly Publication

Publication consists of an up-to-date listing of current jobs out for bid also informs members of the low bid results. Advertising opportunities available for members. Our plan room allows members to online viewing of projects at no additional cost.

Blueprint Copies

We offer a blueprint copier service with wide format capabilities. Walk-in, while you wait copies and prints can be made at a very affordable price.

EXCELLENCE IN CONSTRUCTION AWARDS

Three Projects Awarded Yearly

We recognize excellence in the construction industry and show how projects come together where everyone has to be accountable for top-level work among its members.

BUILD MY FUTURE EVENT

Hands-on Interactive Event for High School Students

At this event we work to get students engaged in the trades and specifically, construction. Contractors have a booth with an interactive project the students can participate in.

WEBSITE DIRECTORY & FACEBOOK

www.siouxlandconstructionalliance.com

The Membership directory is available, events and classes listed here, advertising opportunities for members. Up-to-date information is available on our Facebook page.

GOVERNMENT AFFAIRS COMMITTEE

Voice of the Construction Industry

The purpose is to observe and act upon governmental issues to influence positive change to benefit the construction industry and the general public.

TRAINING CLASSES & CODE UPDATES

Classes Available

As codes change, we bring in experts to present information. Specific classes are set to provide continuing education to our members. Contact us today for any requests your company may have.

PROMOTE, NETWORK & GOLF LEAGUE

Networking Options

Golf league is one of our networking options. Plan to golf each Thursday with members of our association. We host a year-end banquet along with a traveling trophy for the winning team.
